

## Mr ZHU Yuan-xing

Mr Zhu graduated from the Second School of Clinical Medicine of Guangzhou University of Traditional Chinese Medicine in 2013 and practiced at Guangdong Provincial Hospital of Traditional Chinese Medicine. After graduation, he accomplished resident physician rotation training in public hospitals and completed standardized training for general practitioners of Traditional Chinese Medicine. He worked in the Inpatient Department in Mainland China after obtaining the Medical Practitioner Certificate (Mainland). He is familiar with Chinese and Western medicine diagnosis and treatment of various diseases. Since 2018, he has been engaged in clinical work of traditional Chinese medicine in Hong Kong. And in 2022, he obtained the Master's Degree in Chinese Medicine (Oncology) from the University of Hong Kong. Mr ZHU's research focuses on the application of Chinese herbal medicine on the treatment of oncological diseases and chronic diseases.
